An exciting moment both for the planned Berlin University Alliance and the Oxford-Berlin partnership: a public panel debate with all the Berlin and Oxford presidents. The participants will discuss the future of Anglo-German academic exchange post-Brexit and explain the details of the Oxford-Berlin partnership. The debate will be chaired by Prof Andreas Gestrich, recently retired director of the German Historical Institute in London. The Deputy Head of Mission of the British Embassy in Berlin will give a welcome address at the beginning of the event.

The event will be followed by a drinks reception.
All are welcome.
