At this online reading Prof Paul Cairney and Dr Sean Kippin will launch their textbook *Politics and Policy Making in the UK*, scheduled for release on 23 Nov 2023 with Bristol University Press.

This new textbook offers a fresh, accessible, and authoritative introduction to contemporary policy making in the UK. Encompassing twelve chapters on theoretical approaches, state transformation, COVID-19, Brexit, environmental politics, economic policy, social policy, and foreign policy, it equips students with a deep and comprehensive understanding of the key theoretical and empirical issues in this field.
